ACTION REQUIRED - REFERENCES

REF: HANA-22129

1. Subject was one of 16 students at a special two week ENDONORPE training school, which was a prerequisite for an ODENVY National Academy training course. During his ENDONORPE training Identity A appeared to be familiar with police routine, was quiet, and handled himself in a professional manner at all times during this brief period. Although a more thorough assessment might be obtained from ODENVY, requests by KUBARK for such assessments from ODENVY are rare and would exhibit undue interest in Subject. Therefore, ODENVY comments are not being requested.

2. If the Station still feels that it would like to have an introduction to Subject, Headquarters will be glad to approach the ENDONORPE trainers for letters of entree to Subject.
